

Awards Scheme Porthpean O.E. Centre

Gold Award Expedition

Canoeing and/or Kayaking Expeditions

The D of E Program, as described by the Duke himself, is “a do it yourself kit for growing up”.

Use this opportunity to finish the Gold Scheme, with a water based expedition. Let your confidence and self worth grow, within a team environment, and launch yourself into the future, like so many before you, with the sound of success ringing in your ears.

We can supply the following:

- Canoes/Sea Kayaks
- Buoyancy Aids
- Water Tight Kit Containers
- Tents and Trangia Stoves

Let us guide you through how to navigate on the water, how to assess hazards and how to avoid them.

Learn about access, egress and very importantly improve your skills as part of a team.

Requirements: Boat skill training, plus one practice and one actual expedition.

Cost: £480 per person (minimum group size of 6)
