

Sharp Tools Training Day

This one day event is ideal for anyone wanting to gain competence and additional understanding in using cutting tools with a view to passing on basic skills to others.

The course will focus on techniques to develop your skills and confidence in working with knives and saws.

Topics include: basic techniques, safety issues, choice of tools, maintenance, choice of materials for given tasks, the law, as well as considerations for different age groups and abilities.

Dave Watson has been teaching bushcraft professionally since 1995 and is one of the most experienced trainers in the UK. Bushcraft is a “Working With” philosophy and as a result Dave has worked alongside many other professionals in the industry, some of whom he has been privileged to have mentored.

Tutor: Dave Watson, Woodland Survival Crafts

Venue: Porthpean Outdoor Education Centre, St Austell

Date: Tuesday 27 February 2018

Times: 9.00 am - 4.30 pm
