

# Outdoor Learning Leader Award

This CPD opportunity qualifies staff from schools and other settings to take children's learning out of doors to a range of environments.

## Structure of programme:

- 4 day training programme
- Action plan based on experience and training
- Successful completion of logbook/portfolio
- Additional half-day assessment with your group of children in your outdoor environment

Note: *prior to assessment you must hold a relevant first aid award.*

## Content to include:

- Safe management of outdoor learning
- Using your school grounds / settings
- Cross-curricular, numeracy, literacy and science
- Personal and social development
- Firelighting, bushcraft and cooking
- Consultant visit to your school/setting to advise on outdoor learning space

## Certification

Successful completion of the above leads to nationally recognised accreditation through:

- Outdoor Education Advisers Panel – Educational Visits Leader
- National Water Safety Management Programme Level 1 - Water Safety Awareness
- Outdoor Ethics - Leave No Trace UK

**Who can attend:** Practitioners with an interest in using the outdoors to enhance and enrich young people's learning.

**Cost:** £400 per delegate, 25% discount for 2nd delegate from the same school/establishment

**Dates:** 9 and 30 October and 13 and 27 November 2018

**Venues:** TBA (dependent on makeup of group)

Book online and use course code: **CLO27**
